Dear Musicians and Parents,

Congratulations on another very successful year of rehearsals and concerts. We made many new friends at our first-ever concert at Copley Symphony Hall. We hope to do the same again next winter, with a movie music theme that has something for everyone. In order to aid our conductors in their repertoire selection process, it is very helpful to know which musicians will be returning to our various orchestras and ensembles next season. Please let us know if you plan to reserve your space for the 2011/2012 season by filling out the attached registration form and returning it with your tuition check to the post office box below.

YAS charges tuition that can be paid once or twice per year. If all tuition and fees are paid by July 15, you receive a \$30 discount (Option 1 below). If you choose to pay in September, the first half of the tuition is due by the first rehearsal, September 10, 2011 (Option 2 below). The second half will be due by January 28, 2012. Please complete and return this form and your ensemble registration form with your check. Tuition covers approximately 40 percent of the expenses of YAS. We appreciate your prompt payment.
